

Super-Duty Flush Trim Bits

CARBIDE TIPPED Z2 RH 

806

These new super duty bits represent the finest of the extensive line of CMT flush trim bits with ball bearing guides. A negative shear angle cutting edge and 3/4" cutting diameter set CMT flush trim bits apart from standard bits. Work quickly and safely to get a superior finish with absolute minimal chipping.

Safety Tip: Dust and chips from laminate materials are hazardous to your health and safety. Always wear a dust mask and eye protection when doing router work.
